

Because clean matters

Thanks to over 90 years of unwavering commitment to research and development, L&R Ultrasonics remains a global leader in the manufacturing and distribution of ultrasonic cleaning systems, solutions, and accessories.

Quantrex 140 with Timer, Heater, & Drain

Shown above: Product Code 610

Quantrex 140 with Timer & Drain

Product Code 311

The Quantrex® 140 is the most versatile tabletop ultrasonic cleaner available. Its size is large enough to handle most cleaning needs but small enough to easily fit on a counter.

- 3.38 quart tank capacity
- Compact size, ideal for countertop use
- 60-minute timer
- 30-month warranty

SweepZone 200 with Timer & Drain

Product Code AG902

The SweepZone® 200 uses SweepZone® Technology to deliver a complete ultrasonic cleaning. By uniformly sweeping ultrasonic power across the tank, the Sweep 200 eliminates hot spots and weak areas. It also senses variations in cleaning loads, solution levels, and voltage fluctuations to deliver consistent and powerful cleaning performance.

- 4.25 quart capacity
- Digital touch pad timer
- Stainless steel housing
- Constant power output
- 30-month warranty
